III. PREQUALIFICATION PROCESS

The following process will govern the conduct of Contractor and MEP Subcontractors Prequalification for the Project. A Contractor and MEP Subcontractors who submit prequalification responses thereby consent to and will comply with the procedures outlined below and as set forth in greater detail in this document.

- A. Submittal. Applicants are encouraged to submit prequalification packages as soon as possible, so that they may be notified of prequalification status well in advance of future proposals.

Prequalification responses shall be received by the District **no later than 4:00 pm between October 1st through October 10th and March 1st through March 10th. If the ending date falls on a Saturday or Sunday, packages will be due the next business day by 12:00pm.** All prospective licensed Contractors and MEP Subcontractors who wish to prequalify for the Project shall submit two (2) copies of a completed prequalification questionnaire, financial statements and supporting documents to the District on or before the bid dates. Completed prequalification questionnaires and financial statements should be marked CONFIDENTIAL “Pre-Qualification Package” and mailed or delivered to:

**Novato Unified School District
Facilities Office – Room 105
Attn: Mike Woolard, Executive Director of Facilities
1015 Seventh Street
Novato, CA 94945**

Prequalification materials will only be accepted in accordance with the requirements of the law. The District reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole discretion.

- B. Form. Applicants shall complete the prequalification process and timely submit all documents as indicated in the Questionnaire. No other prequalification documents previously completed by the applicant will meet these requirements. All information requested in the Questionnaire must be provided in order to be considered “responsive” to the requirements of prequalification. If a question is not applicable, then indicate a response of “N/A.” “You” or “Yours” as used herein refers to the prospective bidders’ firm and any of its owners, officers, principals and qualifying individuals. If two or more business entities request prequalification on this project as a joint venture, or expect to prequalify as part of a joint venture, each entity within the joint venture must separately qualified to be selected.

The Questionnaire shall be submitted as one package – it shall not be submitted “piecemeal.” Applicants shall submit two (2) completed Questionnaires with required attachments in “hard copy” format (i.e., 8-1/2”x11” paper) in a sealed envelope. Any questions regarding this package should be directed to the District’s Construction Management firm, Greystone West, at courtney@greystonewest.com. Submission of an incomplete and/or unclear Questionnaire may result in a determination that the applicant is non-responsive and/or not qualified.

- C. Financial Statement. In addition to completing the Questionnaire, each applicant must submit its most current reviewed or audited year-end financial statement, which must have been prepared by a certified public accountant within twelve (12) months of each applicant’s submission of the prequalification package. Each applicant must also provide its most current financial statement, which must have been prepared within three (3) months of each applicant’s submission of the prequalification package. Applicants are exempt from providing the financial statements if they qualify as a small business pursuant to Government Code 14837 and the proposal is not more than 25% of the qualifying amount provided in Government Code 14837. Finally, each applicant must submit a notarized statement from an admitted surety insurer (approved by the California Department of Insurance and authorized to issue bonds in the State of California) which states the applicant’s current bonding capacity.

Financial statements submitted with this prequalification package shall not be prepared by any individual who is in the regular employ of the firm submitting the statement, nor by any individual or entity who has more than a ten percent (10%) financial interest in the firm’s business. If the individual or entity that prepared a financial statement submitted with this prequalification package

has any financial interest in the firm's business, the firm shall notify the District of such financial interest in a separate signed statement accompanying this prequalification package.

D. District's Review. Applicants that have submitted a Questionnaire shall receive written notification of their prequalification status. The applicant will receive a rating of "Prequalified" or "Not Prequalified." All information provided will be kept confidential to the extent permitted by law, although the contents may be disclosed to third parties for the purposes of verification, investigation of substantial allegations, and in the process of an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose. The District reserves the right to reject any Questionnaire or to waive irregularities in any Questionnaire received, to make all final determinations, and to determine at any time that the prequalification procedures will not be applied to a future public works project.

E. Non-responsiveness. A Questionnaire may be deemed non-responsive if:

1. The Questionnaire is not submitted on time.
2. Applicant does not provide all requested information.
3. The Questionnaire is not signed under penalty of perjury by individuals who have the authority to bind the applicant on whose behalf they are signing.
4. Information contained in the Questionnaire is not updated under penalty of perjury when it is no longer accurate.
5. Any information provided by the applicant is misleading or inaccurate in any material manner (e.g., financial resources are overstated; previous violations of law are not accurately reported). Even after an applicant has been determined to be qualified, the District reserves the right to revoke that determination at any subsequent time, to terminate any contract awarded, and to cease making payments if it determines that any information provided by the applicant was incomplete, misleading, inaccurate or false in any manner.

IV. QUALIFICATION CRITERIA

A. Essential Criteria. As detailed herein, each potential applicant must provide specific information that will be reviewed and scaled by the District. Certain qualifications are essential. Any potential applicant who cannot satisfy all Part 1 "Essential Criteria," regardless of the ranking or ability to meet other criteria, will not be prequalified.

The Questionnaire also contains questions for which a numerical score will be given for specific answer(s). An applicant must receive a minimum score of 115 points (out of a maximum score of 140 points), regardless of its ability to meet other criteria, or the applicant will not prequalify for District work.

V. APPEAL PROCEDURE

Pursuant to Public Contract Code § 20101(d) an applicant who has timely submitted a completed application form, may appeal the District's prequalification decision by giving notice to the District no later than five (5) business days after receipt of notice of its qualification status. Notice shall be sent to the

District point of contact and address listed above. The appeal shall contain all evidence supporting the applicant's challenge to the District's decision. The District will consider the applicant's evidence and will make a final determination.

Unless an applicant files a timely appeal, the applicant waives any and all rights to challenge the qualification decision of the District, whether by administrative process, judicial process or any other legal process or proceeding. The District reserves the right to resolve appeals before or after the opening of proposals or award of any contract. The date for submission and opening of proposals for a specific project and any subsequent contract award will not be delayed or postponed to allow for completion of an appeal process.
