CONTRACTOR'S PRE-QUALIFICATION QUESTIONNAIRE

Notice is hereby given by the San Mateo Union High School District ("District") that contractors planning to submit a proposal for the District's Bond Measure Capital Facilities Projects ("Project") will be required to submit prequalification applications to the District in accordance with the provisions of California Public Code Sections 20111.5 and 20111.6. Mechanical, Electrical and Plumbing Subcontractors are strongly encouraged to prequalify pursuant to this notice and will be required to prequalify for the Project; however, MEP Subcontractors will have another opportunity for prequalification prior to subcontractor selection for the Project.

The applications must be submitted annually from December 1st through December 10th. Prequalification application packets are available on the District's Construction Manager's website at <https://www.greystonewest.com/bid-information/>

1. REQUEST FOR PRE-QUALIFICATION OF BIDDERS

The District requires from all prospective bidders answers to all questions contained in a standard form pre-qualification questionnaire, and a detailed financial statement. The pre-qualification questionnaire requests detailed information, including background, experience, financial ability, and references in performing public works projects.

These documents will be the basis of rating bidders. All questions must be answered. If a question is not applicable, then indicate a response of "N/A". "You" or "Yours" as used herein refers to the prospective bidder's firm and any of its owners, officers, principals and qualifying individuals.

If additional sheets are required for any of the responses, please attach additional sheets of paper signed by the owner, officer, principal and/or qualifying individual. Failure to provide any information requested may result in a reduced rating or disqualification from bidding on any project subject to the district's pre-qualification policy. Any false statement will result in the immediate disqualification from bidding on all District Projects.

Each prospective bidder shall have a duly authorized owner, officer or principal complete the questionnaire and verify the truth of the information provided therein and in the financial statement.

Each prospective bidder must submit its most current reviewed or year-end audited financial statement, which must have been prepared by a Certified Public Accountant within twelve (12) months of each prospective bidder's submission of its pre-qualification package.

Each prospective bidder must also provide its most current year-to-date financial statement, which must have been prepared within three (3) months of each prospective bidder's submission of its pre-qualification package. **The requested financial statements are mandatory inclusions in the application submittals. A prospective bidder's failure to include any requested financial statement in the application submitted will result in automatic disqualification of the prospective bidder from bidding on all San Mateo Union High School District projects.** Late submission of financial statements will not be allowed.

The San Mateo Union High School District will grade the year-end and year-to-date financial statements to determine the financial status and solvency of the prospective bidder under San Mateo Union High School District guidelines.

Each prospective bidder's reviewed or audited financial statements shall not be made by any individual who is in the regular employ of the Contractor submitting the statement, nor by any individual who has more than a ten percent (10%) financial interest in the Contractor's business.

Effective March 1, 2015, per DIR Public Works Funding Legislation –SB 854, all contractors and subcontractors MUST be registered with the DIR to bid public works projects and abide by all the requirements set within SB 854. <http://www.dir.ca.gov/DIRNews/2014/2014-55.pdf>

2. SUBMISSION OF COMPLETED STATEMENTS

One (1) Electronic Submission in PDF format to email: jasmine@smuhdsd.org (with a copy to email: victoria@greystonewest.com) and One (1) hard copy of a completed pre-qualification questionnaire, financial statements and supporting documents must be submitted to the District on or before the annual submission and/or bid dates. Completed pre-qualification questionnaires and financial statements should be marked CONFIDENTIAL “Pre-Qualification Package” and mailed or delivered to:

Yancy Hawkins
Associate Superintendent and Chief Business Officer
San Mateo Union High School District
650 North Delaware Street, San Mateo, CA 94401

Bids for the projects will not be accepted from contractors that did not timely submit a completed prequalification questionnaire and financial statements to the District. Responses to the questionnaire and financial statements are **NOT** public records and are **NOT** open to public inspection.

3. STANDARD OF REVIEW

A committee, using a uniform system of rating bidders that has been approved by the Board of Trustees, will review questionnaires. Bidders will be classified into ranges of project value that they will be qualified to bid on.

4. NOTIFICATION OF PRE-QUALIFICATION RESULTS

Prospective bidders will be notified of their pre-qualification rating within about two weeks after Board of Trustees' approval of submission of their completed pre-qualification questionnaire, financial statements and supporting documents.

In the event that the prospective bidder is unable to obtain a bond in the time and form prescribed by the District, the prospective bidder shall be suspended from the qualified Contractor's list and not be allowed to bid on District projects until proof of bondability is provided.

5. APPEAL PROCESS

Should a prospective bidder not agree with the decision of the review committee, that prospective bidder may appeal the decision to the Superintendent or their designee. The appeal must consist of a written request to the Executive Coordinator to the Deputy Superintendent at the address noted above, setting forth the specific reasons for the appeal and must be received by the District within seven (7) calendar days of the receipt of pre-qualification rating, by certified mail. The Superintendent, or his designee, shall hold a hearing within three (3) business days of the filing of the notice of appeal and allow the prospective bidder an opportunity to be heard on the rating. The appellant and the district may present evidence, testimony and information relevant to the rating. The Superintendent, or his designee, shall issue a written decision after the conclusion of the hearing and mail or cause to be delivered said decision to the appellant within three (3) business days.

Should the prospective bidder be dissatisfied with the Superintendent's, or his designee's, written decision, the aggrieved bidder may appeal the same to the Board of Trustees. This is to be done by filing a written notice of appeal to the Executive Coordinator to the Deputy Superintendent at the address noted above, setting forth the specific reasons, within five (5) calendar days of receipt of the decision of the Superintendent, or his designee. The District Prequalification Committee shall hold a hearing on the pre-qualification rating within three (3) weeks, or as soon thereafter as possible, of receipt of the notice of appeal. Pending the hearing before the District Pre-qualification Committee, the decision of the Superintendent, or his designee, shall remain in full force and effect. Should the decision of the Superintendent, or his designee, be reversed or revised by the District Pre-qualification

Committee, the decision shall take effect as of the date of the District Pre-qualification Committee decision and shall not be retroactive. The decision of the District Pre-qualification Committee shall be final. Said decision shall be mailed or delivered to all parties.

It is the intention of the District that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

The District reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the prequalification procedures will not be applied to a specific future public works project.

To the extent allowed by law, the information submitted by prospective bidders shall remain confidential except on appeals to the Board of Trustees where information used to decide the appeal will become public.
